Action Report: Why Didn't Joe Manchin Denounce Anti-Abortion Terrorism? May 24, 2017 in the [Reproaction Blog](#)

By Shireen Shakouri Campaign Lead Earlier this month, Senator Joe Manchin of West Virginia met with David Daleiden. This is totally unacceptable. Daleiden leads the Center for Medical Progress, which used fraud and deceptive editing to start releasing sham sting videos about Planned Parenthood beginning in 2015. The false narratives Daleiden pushed spurred an increase ... [More...](#)

“Our leadership within the broader progressive movement is going to be held accountable. And if we have to go confront people who have better voting records than Joe Manchin on the issue of abortion and reproductive health care but are saying unhelpful things that cause people to question whether or not support for women's human rights exists within the left—if that continues, we will do actions L...
